[info@securegas-project.eu](mailto:info@securegas-project.eu)

# SecureGas

**is an EU-Fundend project  
to increase the security  
and resilience of the  
European gas network,  
by taking into account  
physical and cyber threats.**

This project has received funding from the European Union's Horizon 2020 research and innovation Programme under grant agreement No **833017**.
